

6515 Color-By-Size Cut Resistant 15 Gauge Glove

The 15 gauge 6515 series glove is unique, not only can the color be spotted but provides dexterity and cut protection for the employee on the line. Knitted with high-performance fibers and wire to achieve the level of cut resistance needed for protection without sacrificing dexterity. New and improved cut resistance is now an ANSI/ISEA 105-2024 Level A8.
